The front row at the Sita Jewellers India Couture Week in association with Logix group, presented by FDCI, had a glamorous visitor in former Femina Miss India World 2014 Koyal Rana, who attended Gaurav Gupta's show on Day 4. Wearing a Gaurav Gupta gown, she cheered for the designer and interacted with the other guests. Talking to us after the show, she said, "This is the first time that I am attending such a major fashion event in the presence of the biggest names of the industry. It was a very nice experience, sitting in the front row and seeing the clothes up close. I found Gaurav's collection very beautiful and the overall experience was enchanting. I've never been on the other side of the ramp till today, so I got to experience what it feels like to view the event instead of participating in it." She will also be walking the ramp today. "After seeing all of this, I'm looking forward to my stint at the couture week on Sunday," she added.

Koyal has been in Delhi for the past few days to also work with her NGO, Moksha, and take its sanitation project forward. She said, "We have a lot of meetings lined up and we're trying to finally launch the project in government schools across the city."
